## Fish Don't Drive. Yuba Salmon Deserve Better.

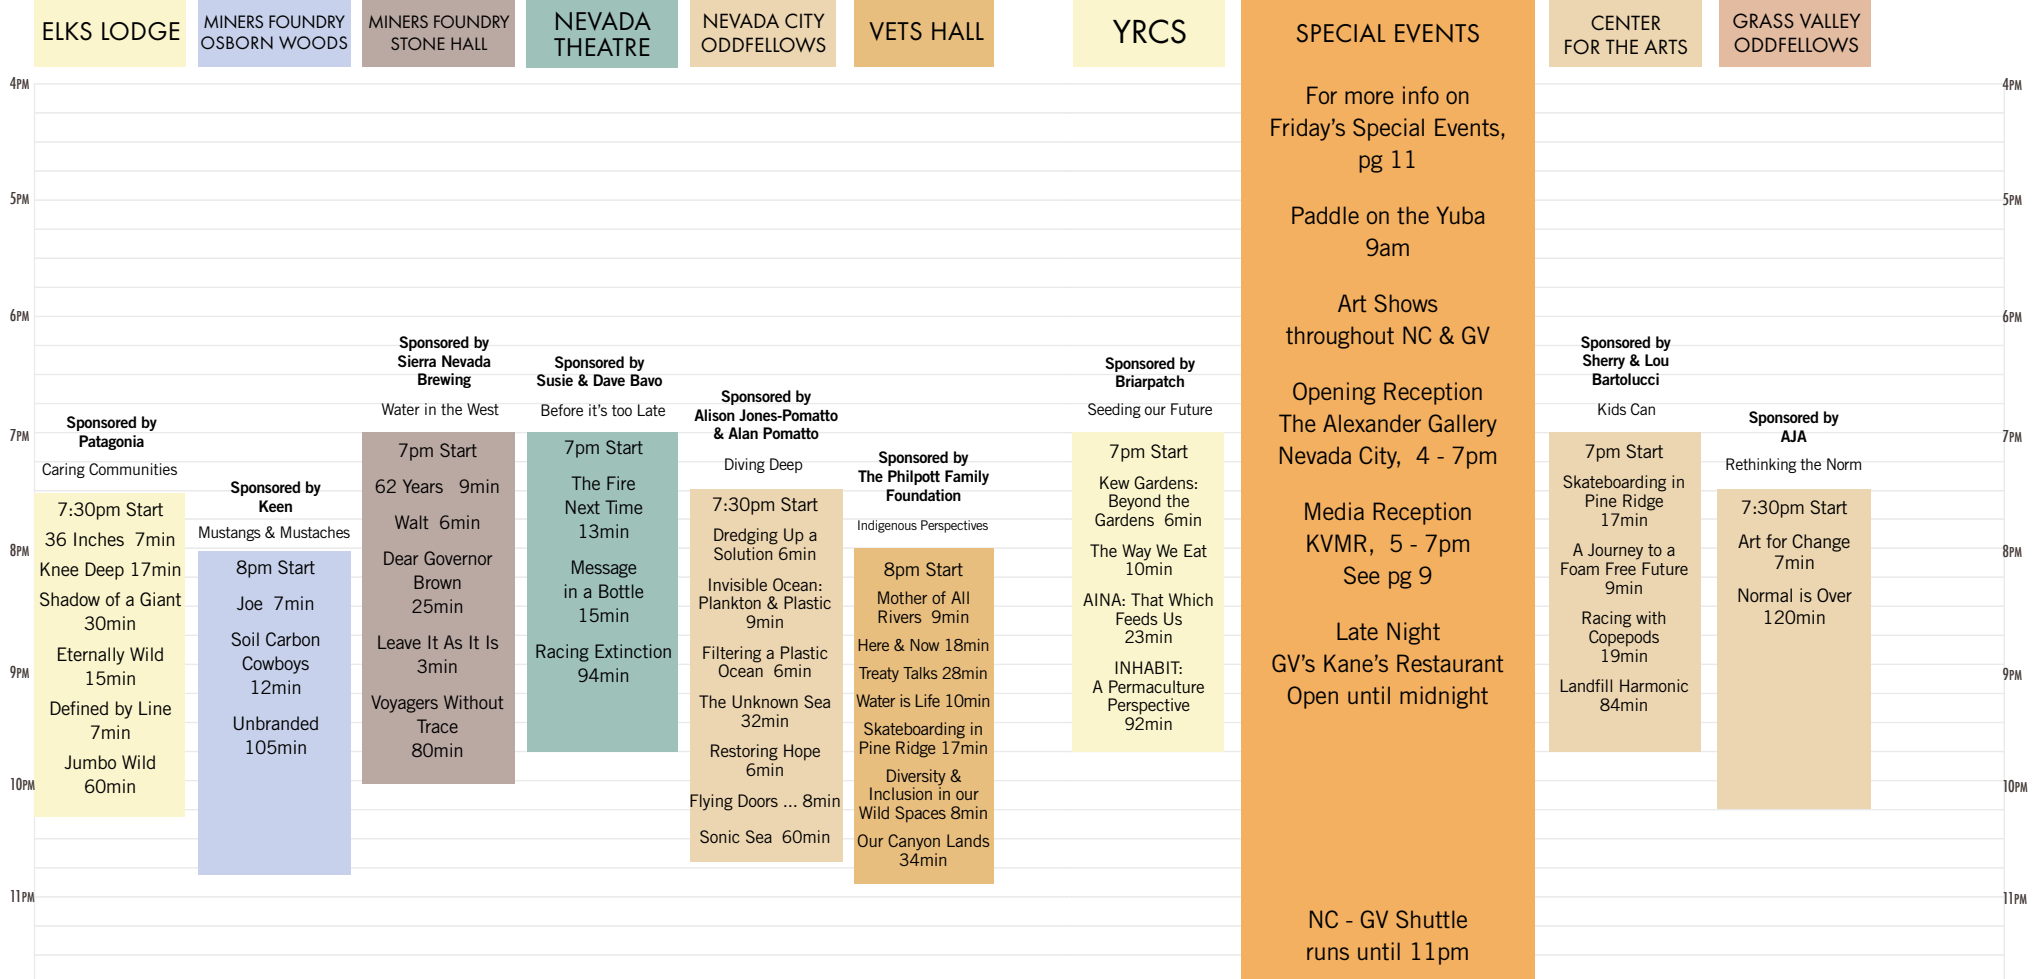

Take Action for Yuba Salmon!  
 Imagine hundreds of millions of tax-payer dollars spent on trapping and trucking salmon around dams so they can reach habitat in the North Yuba River. SYRCL says Yuba salmon deserve better. Help SYRCL take action and advocate for a better plan for wild salmon, so we can get to work on restoring salmon habitat now.

**Sign the letter at any SYRCL booth, or go to [FishDontDrive.org](http://FishDontDrive.org) to sign online.**
